If the game becomes a regulation game, it must be taken into consideration if the visitors have either tied the game or taken the lead in the uncompleted inning, and the home team has not had the chance to tie the game or retake the lead: in this case the game is a "suspended" game and will be continued at a later date established by the Technical Commission. Two trips to the mound in the same inning, to the same pitcher, must result in the removal of the pitcher from the game.

Only one infielder can go to the mound when the coach does and if one infielder goes to the mound at the time, it is considered the "infielders trip" to the mound for the inning as stated in rule V.
- VII. Teams are allowed a maximum of 3 "offensive meetings" per game. An offensive meeting shall be charged any time a coach delays the game for any length of time to talk with an offensive player, whether it be the hitter, a base-runner or an on-deck batter going to the plate, or to another coach. If the game goes into extra innings 1 additional "offensive meeting" shall be permitted for each 3 extra innings. If this rule is violated the coach may be ejected.
